Ahoy mates,

Happy April, spring is in the air! This leads us into our Spring Cleanup on May 7th at 9:00 a.m. I have also included a list of chores on the second page of this letter that you can sign up for at the club on the sign up poster if you would like to participate and cannot make it to the cleanup. Or you can reach out to Jan Spencer at (989) 884-1141 or Tuffy Cross at (989) 356-1533 if there is something that you would like to sign up for.

Opening of the Hatch will be held on the same date as the clean up, May 7th at 5:30 p.m. Please bring your meat to grill and a dish to pass. We will not have bartenders at this event, it will be a drink from your locker event. We hope to see you there as we begin our boating season, hopefully the weather follows suit.

The Commodore's Ball will also be held May 21st, details on this event will follow in a later announcement.

At our last board meeting we had a deep discussion about replacing the club's roof. We have solicited some roofing contractors for quotes on replacing the roof. We have also considered filing an insurance claim for the wind damage that the roof has sustained. Further information to follow on this topic.

Lastly, beer and wine prices will be changing beginning May 1st and these will be posted on new signs in the bar area.

Fair sailing,

Jessica Johnston
